***** **PACE** *****

PILOT AND AIRCRAFT COURTESY EVALUATION

PACE offers General Aviation Pilots a voluntary opportunity to receive a courtesy evaluation of their pilot skills and aircraft's Airworthiness, thereby improving overall levels of safety. Pilots are invited to voluntarily participate in these evaluations with NO RISK of PUNITIVE action from the Federal Aviation Administration (FAA). PACE achieves increased compliance by improving the safe operation and maintenance of aircraft through;

- Improving communications and trust between the FAA and the aviation community.
- An opportunity to identify potential deficiencies in aircraft and flying skills that might otherwise go unnoticed.
- **REGISTRATION REQUIRED.** Participants must bring all aircraft logbooks for inspection.
 - All Airworthiness Directives for your aircraft will be furnished **FREE**.

The PACE PROGRAM does not replace in any way, pilot certification or competency checks. For reservations and further details contact Bob Stroup at (407) 834-6638. If unable, contact Obie Young, SPM, Bill Hoenstine, SPM, or Ben Coleman A/W SPM, at (407) 816-0000 x150
